

VFM1536-11

15" DIGITAL PHOTO FRAME

Big Memories to Share.

This beautiful, extra large digital multimedia frame supports music and video. Choose the ViewSonic® VFM1536-11 with a high resolution 1024x768 LCD panel and 600:1 high contrast for crisp photo images. The 4:3 aspect ratio minimizes image distortion or data loss. It's equipped with a USB connection for easy content download and remote control. This makes a lovely gift for special occasions and for anyone wanting a grand view of all their images.

- > Ultra-high screen resolution of 1024x768 delivers lifelike picture quality.
- > USB 2.0 port allows for fast photo imports from your computer and thumb drive.
- > Slideshow feature lets you add transition effects and vary display speeds.
- > Enjoy your favorite MP3 music along with your photos.
- > Video/audio capabilities for a personalized viewing experience.
- > Alarm, clock and calendar features keep you on schedule.
